Must try FOOD

Hanaini

A dish made from whole wheat grains, with the spikelets being pounded to separate the grains from their husks; the grains are then ground into flour, kneaded, and baked with a mashed date paste added; the dish is served with a drizzle of ghee and sometimes topped with a citrus ingredient such as citron, utrujj or lemon.

Sayadieh

A seasoned fish and rice dish from the Middle East, made with cumin and other spices, as well as fried onions; the spice mix is called baharat in Arabic and its preparation varies from cook to cook but may include caraway, cinnamon, cumin and coriander.

Mabroum and Helwa Dates

Distinct premium Saudi Arabian date varieties; Mabroum dates are long, slender, semi-dry fruits with a chewy, toffee-like texture and mild caramel sweetness, while Al-Helwa dates feature a tender, moist skin, larger rounder size and a rich, succulent, sweet flavor profile.
