Must try FOOD

Viennese Goulash

A classic case of culinary exchange; this originally Hungarian dish has evolved to have a unique character in Austria; the hearty, slow-cooked stew is filled with tender beef, onions and spices like sweet paprika and caraway; often served with buttered or egg noodles or bread dumplings.

Kasespatzle

Austria's answer to mac and cheese, this comforting classic consists of soft dumpling-like noodles topped with melted cheese, usually strong, aged, mountain cheeses that can melt easily, and fried onions.

Salzburger Nockerl

This soufflé-like dessert is believed to have been invented in Salzburg in the 17th century as an ode to the surrounding peaks; egg whites and sugar are whisked into a meringue until soft peaks form; the meringue is then dusted with powdered sugar to represent the snow-covered hill.
